

Hug Me Envelope

By Jeremy Shafer ©2000

1 Begin white side up. Valley-fold and unfold a kite base.

2 Valley-fold a kite base in the other direction.

3 Valley-fold.

4 Completely unfold.

5 Valley-fold and unfold the paper diagonally in half, creasing only between A and B. **Turn over.**

6 Valley-fold and unfold the paper again, this time creasing to the right of A and to the left of B. **Turn over.**

7 Using existing creases, fold the side corners in as you bring the bottom up.

8 Valley-fold the top layer...

9 ...and fold it back.

10 Repeat steps 8-9 on the other side.

11

Using existing creases, fold the top layer into a square base.

12

Valley-fold.

13

Valley-fold. Rotate 180°.

14

Rabbit-ear.

15

Open sink the tip of the white triangle to the black dot.

16

Valley-fold.

17

Valley-fold.

18

Valley-fold.

19

Repeat steps 16-20 on the right side.

20

Using the black dot as a guide, valley-fold and unfold the flap.

21

Reverse-fold the flap.

22

Valley-fold the flap so that it touches the center crease.

23

Valley-fold and unfold edge-to-edge.

24

Valley-fold, squashing at the side. The higher the valley fold the larger the pupil of the eye will be

25

Valley-fold.

26

Valley-fold; insert the point into the pocket.

Repeat steps 20-26 on right side.

The eyes are complete.

Mountain-fold the mouth. Zero in on the nose.

Squash.

Mountain-fold.

Valley-fold and unfold.

Mountain-fold.

Rabbit-ear.

Reverse-fold the point inside the vest.

Valley-fold, locking together the two sides of the vest.

The vest IS!

Pinch and unpinch.

Valley-fold and unfold to the pinch mark.

Open-sink.

Valley-fold.

Valley-fold. Squash at the right side.

Roll paper out from behind.

Mountain-fold.

Repeat steps 38-45.

Time to make the collar.

Valley-fold.

The collar is sewn.

Round the upper edge of the arms with a thin valley fold.

The arms are well rounded. Zero in on the right ear.

Pleat the ear pulling paper down from the top.

Continue pleating along the rest of the ear.

Valley-fold, inserting the flap into the front-most pocket

Pleat the flap to form teeth.

The Hug Me Envelope is finished. Open the envelope flap to find that our scary-looking creature is really not so scary afterall.

Hug me!!!
